Instructions

General

This form, when properly completed by the Supplier, will comply with ElectroDynamics, Inc. Supplier Quality Assurance Requirements (SQAR) Form 1002, and Clause 3A. ElectroDynamics, Inc. is hereinafter referred to as EDI.

Unless otherwise specified, the Supplier shall prepare a Certificate of Conformance (C of C) addressing each Purchase Order (PO) line item. The C of C shall accompany each shipment. All applicable form entries must be completed.

Failure by Supplier to provide to EDI a properly completed C of C will result in a delay in payment.

Definitions

Authorized Certifying Official. The certification shall be attested to by an authorized representative of the supplier; and the certification system, including the procedures for completing, reviewing, and approving the certificate shall be described in the Company's administrative control system or Quality Assurance program.

Certification. The act of determining, verifying, and attesting in writing to the qualifications of personnel, processes, procedures, or items in accordance with specified requirements.

Certificate of Conformance. A document signed or otherwise authenticated by an authorized individual certifying the degree to which items or services meet specified requirements.

Section A, Purchase Order (PO)/Contract Data

Entry 1 Enter the complete EDI PO or Contract Number.

Entry 2 Enter EDI's PO/Contract Revision or Amendment Number (if applicable).

Entry 3 Enter as applicable, EDI's PO Line Item Number, i.e., 1, 2, 3, Lot/Batch Number, Serial Number, Quantity (Qty), EDI Part Number, EDI Part Revision, and, EDI Part Description.

Section B, Supplier/Source Information

Entry 4 Enter the Supplier's company name.

Entry 5 Enter the Supplier's business address.

Section C, Applicable Requirements

Entry 6 Enter the applicable Military or Industry Standard Number and revision.

Entry 7 Enter the applicable Specification and revision.

Entry 8 Enter the applicable Technical Drawing/Diagram and applicable revision.

Entry 9 Enter Other applicable requirements, documents, and revision. Alternatively, enter additional information that may not fit in the space provided for Entries 6 – 8.

Section D, Approved Changes/Deviations/Waivers/Substitutions/Nonconformances

If applicable, reference authorizing document(s) and attach copy(s).

Section E, SQAR Checklist

Completion is optional. Listed are the SQAR Clauses (Form 1002), which may be specified on a PO. The checklist is not all-inclusive, but is provided to facilitate ensuring delivery/approval of the SQAR-required documentation and deliverables that may typically be specified on the PO.

This does not indemnify the Supplier from full compliance with all the requirements as specified on the PO.

Section F, Certification Statement (see definitions)

Print or type the authorized company certifying official's name, title, and date.

Affix certifying official signature.
