Re: Fulton County Board of Health

Dear Chairman Eaves:

It is my pleasure to appoint City Council Member Carla Smith to the Fulton County Board of Health in Position Six (6) pursuant to O.C.G.A. § 31-3-2-1. This appointment will expire when I leave office on January 2, 2018 or when the newly sworn-in Mayor appoints a replacement. Consistent with the above referenced law, this appointment does not require City Council confirmation and is effective upon execution of this letter of appointment.

In addition to her role as an elected official, Council Member Smith is also a registered nurse. I am confident she will make a substantial contribution to the important work of the Fulton County Board of Health.

Sincerely,

Kasim Reed
