## About Us

Van's Electrical is involved with a variety of electrical work, ranging from: Domestic to Industrial Installations and Electrical Contracting. In conjunction to our general electrical work, Van's Electrical has successfully completed larger contracts with electrical consultants. We pride ourselves on quality workmanship and service excellence. Vans Electrical is an authorised company and registered with all relevant Authorities. Situated in the Western Kwa-Zulu Natal Region we have undertaken major projects throughout KZN.

Our sound knowledge of the Electrical Industry allows us to be hands on in every aspect of the job from the beginning to end.

### Core Values:

- \* Integrity
- \* Transparency & Honesty
- \* Reliability
- \* Quality of Workmanship
- \* Affordability
- \* Innovative thinking

### Mission Statement:

We regard our work ethics in highest nature, to be productive and pro-active in our projects to be accountable for all work undertaken by Vans Electrical. We pride ourselves in quality that speaks for itself without compromising safety and reliability. We respect that each project deserves our attention to detail attitude.

These works includes the following:

- \* Domestic house wiring
- \* Repairs and Maintenance
- \* Industrial factory installations
- \* Agricultural installations (pumps, pivots, nursery tunnels, piggeries, hatcheries and dairies)
- \* Hotels and Timeshare Resorts
- \* Schools
- \* Clinics
- \* Municipal buildings
- \* Golf and Housing Estates
- \* 1.1KV-3.3KV power transmission and transformers
- \* 11KV and 22KV power transmissions, jointing, terminations and transformers
- \* Mini Substations – 11KV and 22KV
- \* Overhead Lines LV
- \* Control Panels (Stardelta, motor control etc.)
- \* MCC Rooms
- \* Air Conditioning

ELECTRICAL CONTRACTORS
